

Plan Enhancer

Offer your employees an affordable coverage option for the unpredictable moments in life.

Plan Enhancer, accidental medical expense coverage can help fill gaps where primary health insurance leaves off. This affordable, high-value plan can help you enhance your employee benefit package.

YOU select the benefit level and contribution that you want to offer your employees.

Offer your employees Plan Enhancer with a single application!

Accident Medical Expense

Guaranteed Issue

- Pays benefits for covered accident-related health care costs and other expenses.
- No network restrictions.
- No maximum number of covered accidents.
- Includes accidental death and dismemberment benefits.

Why you should offer Plan Enhancer:

- Can help recruit and retain talent.
- You can add Plan Enhancer at no cost to you.
- Pairs well with high-deductible health plans.

IMPORTANT NOTICE: Certain actions by the employer (e.g. contributing toward the cost of premium) could make the Plan Enhancer product subject to ERISA. The employer will be solely responsible for any applicable ERISA compliance required. Employers should consult their tax and/or legal advisor if they want to understand their ERISA obligations, if any. National General is not a fiduciary and makes no representations regarding whether the Plan Enhancer product is an employee welfare benefit plan under ERISA.

THESE PLANS PROVIDE LIMITED BENEFITS. Supplemental coverage plans provide limited benefits and do not satisfy the government's requirements for minimum essential coverage. This is not a Medicare supplement insurance plan and does not provide comprehensive health (major medical) insurance or satisfy the government's requirements for minimum essential coverage.
