

Sweeten the pot with Teladoc[®] — a convenient option your clients will love

Increase the value of every sale with the 24/7 convenience of Teladoc

Take your product pitch to the next level with Teladoc. Your clients need more ways to help them lower their health care costs, and Teladoc can help them do it.

Teladoc:

- **Can cost much less** than visiting an urgent care center or doctor's office.
- May help your clients **lower their claims costs**.
- Adds the **convenience** of receiving quality health care over the phone, web, or mobile app **wherever and whenever your clients' employees need it**.

Getting quality benefits for less? No client can argue with that.

Teladoc doctors can treat and diagnose many common medical conditions, including:

- **Cold and flu symptoms**
- **Allergies**
- **Ear infections**
- **Pink Eye**
- **Respiratory infections**
- **Sinus problems**
- **Skin problems, and more**

Not available in Washington. The employer has the option to add Teladoc to the plan for an additional fee.

For agent use only. Not for distribution to consumers.

The National General Benefits Solutions (NGBS) Self-Funded Program provides tools for employers owning small to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. For employers in the NGBS Self-Funded Program, stop-loss insurance is underwritten by: Integon National Insurance Company in CO, CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in all other states where offered.
